

**mespace**

**WORKSTATION SERIES**

A modern office pod with a glass door and a potted plant. The pod has a dark frame and a glass door that is slightly ajar, revealing the interior. Inside, there is a desk with a black office chair, a wooden slatted wall, and a wooden slatted ceiling. A potted plant sits on a shelf outside the pod. The text "mespace" is visible on the glass door.

UNLOCKING HUMAN  
POTENTIAL

# WORKSTATION SERIES

A modular, scientifically grounded neuroadaptive workstation designed for focus and sensory well being.

## Occupancy Indicator

Controllable lights that signal when the space is in use
